

THE BEAUMONT HUB

Welcome to issue two of our brand new termly newsletter

Purple Day - Archie

Within the Student Union I have taken part in raising money for Purple Day. I did a sponsored walk and raised £549. I would like to do more fundraising activities.

Skill Building

Ellis has been to the Stagecoach depot to practice boarding and manoeuvring on a wheelchair accessible bus to improve and enhance his driving in the community.

Beaumont in the community

Our students have started a very exciting community project. After taking delivery of some rather large wooden boards, courtesy of Bay Wood Services Ltd, they will, over the coming weeks, be creating large pieces of art to be displayed on Morecambe Promenade as part of a community initiative to enhance the environment in front of the old Frontierland.

This is an amazing opportunity and is giving us the chance to show the incredible talent we have at College. We can't wait to give you all regular updates of how the work is progressing!

Blackpool RNLI fundraiser

Students from Beaumont College Blackpool have raised a total of £320 for the RNLI .

Cheered on by other staff and students the 9 mile walk formed the volunteering component of their Bronze The Duke of Edinburgh's Award.

The walk was led by Darryl Jenkins and supported by Leanne Ruddy in partnership with Anna Elgee from Blackpool Council.

“£320 raised for the RNLI”

Check out our “Sign Of The Day” YouTube Playlist [here](#).

NATSPEC MEETING

Adam and Archie joined with representatives from 35 other colleges in a NATSPEC virtual Parliament Student meeting on the 29th of April.

We took part in several conversations. Topics of conversation were ‘what three things would you change to improve your life?’ Adam said that housing is a problem for people with disabilities. Adam also touched on disability bathrooms, as there are not many around Lancaster.

The next topic was ‘What kind of games would you put in the NATSPEC games?’

Archie mentioned walking and also said that he had raised £564 for epilepsy awareness through a sponsored walk. The group then thought about different ways in which walking could be incorporated.

Adam suggested skittles and boccia. He also talked about games being adapted for people in wheelchairs as football was mentioned.

The final topic discussed was from the NUS student representative about what campaigns would the students like to take part in. Making sure places are adapted for wheelchairs was high on the list.

Easter Competition

In student union I have raised money for the Easter Bunny competition - name the bunny. The winning name was WOODY. We raised £14.66 after deducting money for the bear.

Student Union

The SU made connections with students from Lancaster University in the hope that in the future we can do a collaboration project together.

University Societies were discussed with our favourite being the Dr. Who society.

The group met with society members and it was a huge success.

The society said that they had done several activities together and one of those was a cake crawl. Our Student Union all agreed they would like to do this themselves.

Through The Era's - Carlisle

Organised by the Beaumont College Student Union group at our Carlisle Campus students took part in a "Through the Era's Day"

Everyone has enjoyed making milkshakes in the diner, keeping fit with our very own Ms Motivator, 60s dancing, making tie-dye t-shirts and ending the day with an 80s disco!

We are now taking bookings for both virtual and in person tours of the college for September 2021 and 2022.

BEAUMONT ART

Our work shared both Nationally and Internationally

Four students from our Lancaster campus entered a national art competition and have been shortlisted as finalists!

The competition is run by Unique Art Awards and Liam, Jordan, Greer and Bradley have been invited to a London Awards Ceremony in Kensington where they will enjoy dinner and drinks and celebrate as the winners are announced.

We wish them the very best of luck and we're so proud of the artistic achievements of everyone at Beaumont this year!

Beaumont College, Slyne Road, Lancaster, LA2 6AP. 01524 541400
